

WARKWORTH WALKERS

Walks 5th July – 27th September 2017

We are an informal walking group who walk either on the coast or in the Northumbrian hills every Wednesday. We have no membership fee or formal structure and we draw up a quarterly programme of walks - usually between 7 and 10 miles with varying degrees of difficulty. We welcome anyone coming on these walks – just turn up at the start point at the stated time.

A summary of the following months walks will be published regularly in the Pelican and on the 2 village noticeboards. A more detailed programme will be placed on this website on a quarterly basis as follows:
