

## Britain in Bloom

After a gap of 5 years Warkworth in Bloom have been asked to again participate in the national competition of Britain in Bloom as well as in Northumbria in Bloom.

Northumbria in Bloom stretches from the Scottish Borders to North Yorkshire and Warkworth has had continued successes, being awarded the Best Large Village for the past 8 years.

Britain in Bloom covers the whole of Britain and The Channel Isles, so obviously the competition will be fierce - which means that the team and our helpers will be doubling our efforts to make the village look as good as possible.
