2. The objects of the Society shall be the promotion and development of the skills which are identified by the classes published in the Show Schedule, by holding shows, competitions, lectures and discussions.
3. Village members may purchase pre-paid tickets at a concessionary price, with the option of a Schedule.

5. **ONLY ONE ENTRY PER PERSON PER CLASS** is allowed, except where otherwise stated in the schedule. (MEA)

7. Each horticultural exhibitor shall, if required, on the day of the Show sign a declaration that the specimens he/she claims to exhibit for prizes have been in his/her possession for at least two months prior to the Show. **All work entered into Industrial Classes must be entirely the work of the entrant.**
8. Exhibits to be staged before **09.45** on the morning of the Show.
9. Each exhibit must bear its **class and exhibitor's number**.
10. There must be three entries in each class before a second prize is given, at the discretion of the judges.
11. The judges shall have the power to withhold any prize for produce not worthy of a place. Vegetables should be fit for table use.
12. **THE DECISION OF THE JUDGES IS FINAL.**

First time you've entered the Show?

An easy guide to help you!

- Browse through the schedule and, when you've decided which classes you'd like to enter, fill in the appropriate entry form.
- Tear out the form and post it or drop it in to the appropriate Secretary's house (See Entry Forms) **by the due date** and with the correct entry money. If you need more entry forms, it is acceptable to copy the details down on paper.
- As Show Day approaches, sort out your entries by putting a class number label on each one (children's entries also need a label stating their age and/or school year).
- On Show Day, arrive early - before 9.30am - at the marquee and look for the Secretary. (Horticultural entries will be at the East end of the marquee, Industrial at the West). She/he will give you an envelope that will contain your personal numbers which enable your exhibit to be identified after judging is carried out.
- Attach one of these numbers to each exhibit. It doesn't matter which of these numbers you attach to which exhibit, they're all identified as your unique numbers. Then place your exhibit in the class areas marked out on the tables. There'll be lots of help around if you need it. Exhibits must be staged by 9.45am.
- In your envelope will also be a claim form to fill in later if you win a prize, and also a Lifting Card that enables you to collect your exhibits at the end of the day. Keep these safely!
- Prize money can be collected by filling in the claim form and presenting it to the Secretary in the marquee in the afternoon.

Good Luck!
